DECISION AWARDING DAMAGES¹

On May 19, 2022, John Holubowicz filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that he suffered Guillain-Barre Syndrome (“GBS”) following an influenza vaccination he received on October 15, 2020. Petition at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On January 12, 2023, a ruling on entitlement was issued, finding Petitioner entitled to compensation for his GBS. On December 27, 2023, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$116,173.99, representing \$115,000.00 in pain and suffering and \$1,173.99 in past and future unreimbursable expenses. Proffer at 1-2. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$116,173.99, representing \$115,000.00 in pain and suffering and \$1,173.99 in past and future unreimbursable expenses, in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).

B. Past and Future Unreimbursable Expenses

Evidence supplied by petitioner documents that she incurred past unreimbursable expenses and will incur future unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past and future unreimbursable expenses in the combined amount of \$1,173.99. *See* 42 U.S.C. § 300aa-15(a)(1)(A)-(B). Petitioner agrees.

These amounts represent all elements of compensation to which petitioner is entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award

Petitioner is a competent adult. Evidence of guardianship is not required in this case. Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment as described below and requests that the Chief Special Master's decision and the Court's judgment award the following¹: a lump sum payment of \$116,173.99, in the form of a check payable to petitioner.

III. Summary of Recommended Payments Following Judgment
