DECISION ON ATTORNEY'S FEES AND COSTS¹

On October 6, 2022, Tiffany Wentworth filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleged that she suffered a shoulder injury related to vaccine administration as a result of an influenza vaccine administered on November 1, 2021. Petition, ECF No. 1. On October 16, 2023, I issued a decision awarding compensation to Petitioner based on the Respondent's proffer. ECF No. 24.

¹ Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

Petitioner has now filed a motion for attorney's fees and costs, requesting an award of \$26,828.95 (representing \$25,702.50 in fees plus \$1,126.45 in costs). Petitioner's Application for Fees and Costs ("Motion") filed Oct. 20, 2023, ECF No. 29. In accordance with General Order No. 9, Petitioner filed a signed statement representing that Petitioner incurred no out-of-pocket expenses. ECF No. 29-4.

Respondent reacted to the motion on Oct. 23, 2023, reporting that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. Respondent's Response to Motion at 2-3, ECF No. 30. On Oct. 26, 2023, Petitioner reported that she does not intent to file a substantive reply to Respondent's response. ECF No. 31.

Petitioner has requested the following hourly rates for Attorney Daniel Alholm: \$425 for time billed in 2022 and \$450 for time billed in 2023. ECF No. 29-1. I find these hourly rates to be reasonable and will award the attorney's fees requested. Furthermore, Petitioner has provided supporting documentation for all claimed costs. ECF No. 29-3. Respondent offered no specific objection to the rates or amounts sought.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$26,828.95 (representing \$25,702.50 in fees plus \$1,126.45 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, Daniel Alholm.** In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this Decision.³

IT IS SO ORDERED.
