DECISION ON JOINT STIPULATION¹

On November 4, 2022, Sage Comora filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) resulting from an influenza (“flu”) vaccine received in her left arm on September 29, 2021. Petition at 1; Stipulation, filed April 11, 2024, at ¶¶ 2-4. Petitioner further alleges the vaccine was administered in the United States, her injury lasted for more than six months, and neither Petitioner nor any other party has ever filed any action or received compensation in the form of an award or settlement for her vaccine-related injury. Petition at ¶¶ 2, 14-16; Stipulation at ¶¶ 3-5. “Respondent denies that petitioner sustained a SIRVA Table injury; denies that the flu vaccine caused petitioner’s alleged shoulder injury, and further denies that the flu vaccine caused petitioner to suffer from any other injury or her current condition.” Stipulation at ¶ 6.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Nevertheless, on April 11, 2024, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, I **award** the following compensation:

- A. **A lump sum of \$25,000.00 in the form of a check payable to Petitioner; and**
- B. **A lump sum of \$1,101.31, representing reimbursement of a Medicaid lien for services rendered to Petitioner by the State of Colorado, in the form of a check payable jointly to Petitioner and the Colorado Department of Health Care Policy & Financing.**

STIPULATION

The parties hereby stipulate to the following matters:

1. Petitioner, Sage Comora, filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to -34 (the "Vaccine Program"). The petition seeks compensation for injuries allegedly related to petitioner's receipt of the influenza vaccine, which is contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. Petitioner received the influenza vaccine on or about September 29, 2021.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she sustained a shoulder injury related to vaccine administration ("SIRVA") within the time period set forth in the table, or in the alternative, that her alleged shoulder injury was caused by the vaccine. Petitioner further alleges that she experienced the residual effects of this condition for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of her condition.

6. Respondent denies that petitioner sustained a SIRVA Table injury; denies that the flu vaccine caused petitioner's alleged shoulder injury, and further denies that the flu vaccine caused petitioner to suffer from any other injury or her current condition.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- A. A lump sum of **\$25,000.00** in the form of a check payable to petitioner; and
- B. A lump sum of **\$1,101.31**,¹ representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of Colorado, in the form of a check payable jointly to petitioner and the Colorado Department of Health Care Policy & Financing.

Petitioner agrees to endorse this check to the Colorado Department of Health Care Policy & Financing and send it to the following address:

Colorado Department of Health Care Policy & Financing
ATTN: Stephanie Monterroso
303 E. 17th Avenue
Denver, CO 80203
State ID No. Y623686

¹ This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Colorado may have against any individual as a result of any Medicaid payments the Colorado Program has made to or on behalf of Sage Comora as a result of his alleged vaccine-related injury suffered on or about September 29, 2021, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns,

does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300 aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the influenza vaccination administered on or about September 29, 2021, as alleged in a petition for vaccine compensation filed on or about November 4, 2022, in the United States Court of Federal Claims as petition No. 22-1646V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or

Respectfully submitted,

PETITIONER:

SAGE COMORA
