RESPONDENT’S PROFFER OF DAMAGES

I. Procedural History

On February 28, 2023, Samuel and Jessica Smith (“petitioners”) filed a petition for compensation (“petition”) on behalf of their minor son, J.S., under the National Childhood Vaccine Injury Act of 1986, 43 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), as amended, alleging that as a result of a measles, mumps, rubella, and varicella vaccine (“MMRV vaccine”) administered to J.S. on December 14, 2020, J.S. suffered from immune thrombocytopenia purpura (“ITP”). Petition at 1. On June 24, 2024, respondent filed his Rule 4(c) report in which he concedes that petitioners are entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. ECF No. 27. The parties further agree that the annuity payments cannot be assigned, accelerated, deferred, increased, or decreased by the parties and that no part of any annuity payments called for herein, nor any assets of the United States or the annuity company, are subject to execution or any legal process for any obligation in any manner. Petitioners and petitioners' heirs, executors, administrators, successors, and assigns do hereby agree that they have no power or right to sell, assign, mortgage, encumber, or anticipate said annuity payments, or any part thereof, by assignment or otherwise, and further agree that they will not sell, assign, mortgage, encumber, or anticipate said annuity payments, or any part thereof, by assignment or otherwise.
