DECISION ON JOINT STIPULATION¹

On July 18, 2023, Eileen M. Salas filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered shoulder injuries related to vaccine administration (“SIRVA”) as a result of a tetanus, diphtheria, and acellular pertussis (“Tdap”) vaccine administered on May 27, 2022. Petition at 1; Stipulation, filed at September 12, 2025, ¶¶ 1, 2. Additionally, Petitioner alleges she suffered Brachial Neuritis (“BN”) that was caused-in-fact by the Tdap vaccine. Petition at 1; Stipulation at ¶4. Petitioner further alleges that the vaccine was administered within the United States, that she sustained an injury within the time period set forth in the Vaccine Injury Table or the vaccine significantly aggravated a pre-existing injury, that she experienced the residual effects of her condition for more than six months, and that there has been no award or settlement of a civil action for damages on her behalf as a result of her injury. Petition at 1, 6-7; Stipulation at ¶¶ 1-5. Respondent denies that Petitioner sustained a SIRVA Table injury; denies that the vaccine caused Petitioner’s alleged shoulder injury,

BN, or any other injury; or that the vaccine significantly aggravated a pre0existing injury; and denies that her current condition is a sequela of a vaccine-related injury. Stipulation at ¶ 6.

Nevertheless, on September 19, 2025, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

³ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties’ joint filing of notice renouncing the right to seek review.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages on her behalf as a result of her alleged injury.

6. Respondent denies that petitioner sustained a SIRVA Table injury; denies that the vaccine caused petitioner's alleged shoulder injury, BN, any other injury, or that the vaccine significantly aggravated a pre-existing injury; and denies that her current condition is a sequela of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of **\$45,000.00**, to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt distribution to petitioner; and
- b. A lump sum of **\$7,020.52¹** representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of California, in the form of a check payable jointly to petitioner and:

Re: Eileen Salas
DCHCS No. C92861140A-001T

¹ This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of California may have against any individual as a result of any Medicaid payments the State of California has made to or on behalf of petitioner as a result of petitioner's alleged injury relating to a vaccine administered on May 27, 2022, under Title XIX of the Social Security Act, *see* 42 U.S.C. § 300aa-15(g), (h).

Petitioner agrees to endorse this check to the Department of Health Care Services.

These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns,

does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or alleged to have resulted from, the Tdap vaccination administered on May 27, 2022, as alleged in a petition for vaccine compensation filed on or about July 18, 2023, in the United States Court of Federal Claims as petition No. 23-1101V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.
