**DECISION ON JOINT STIPULATION<sup>1</sup>**

On August 18, 2023, John Schouest filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). On or about October 29, 2022, Petitioner received an influenza (“flu”) vaccine, which vaccine is listed in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a). Petitioner alleges that the flu vaccine caused him to develop Guillain-Barré syndrome (“GBS”) within the time period set forth in the Table, and that he suffered the residual effects of his condition for more than six months.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Respondent denies that Petitioner sustained a GBS Table injury; denies that the vaccine caused or significantly aggravated Petitioner's alleged GBS, or any other injury or condition; and denies that Petitioner's current condition is a sequela of a vaccine-related injury.

Nevertheless, on June 17, 2025, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, I **award** the following compensation:

- A. A lump sum of \$144,908.44 to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement to Petitioner; and**
- B. A lump sum of \$91.56, representing reimbursement of a Medicaid lien for services rendered to Petitioner by the State of Louisiana, in the form of a check payable jointly to Petitioner and Optum:**

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.<sup>3</sup>

**STIPULATION**

The parties hereby stipulate to the following matters:

1. Petitioner filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly related to petitioner’s receipt of influenza (“flu”) vaccination which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a).
2. Petitioner received the flu vaccination on or about October 29, 2022.
3. The vaccine was administered within the United States.
4. Petitioner alleges that the flu vaccine caused him to develop Guillain-Barre Syndrome (“GBS”) within the time period set forth in the Table and that he experienced the residual effects of his condition for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of his condition.

6. Respondent denies that petitioner suffered a GBS Table injury; denies that the flu vaccination caused or significantly aggravated petitioner's alleged GBS, or any other injury or condition; and denies that petitioner's current condition is a sequela of a vaccine-related injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- A. A lump sum payment of **\$144,908.44** to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement to petitioner; and
- B. A lump sum of **\$91.56**,<sup>1</sup> representing reimbursement of a Medicaid lien for services rendered to petitioner by the State of Louisiana, in the form of a check payable jointly to petitioner and Optum:

Attn: Team 4, Negotiations Analyst  
Optum  
PO Box 182643  
Columbus, OH 43218

Petitioner agrees to endorse this check to Optum. These amounts represent compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42

---

<sup>1</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Louisiana may have against any individual as a result of any Medicaid payments Optum has made to or on behalf of John Schouest (Optum Event Number: 136872079) as a result of his alleged vaccine-related injury suffered on or about October 29, 2022, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

U.S.C. § 300aa-21 (a)(l), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 of this Stipulation, and any amount awarded pursuant to paragraph 9, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorney's fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in his individual capacity, and on behalf of his heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or hereafter could be timely brought in the Court of Federal Claims, under the National Vaccine Injury

Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner resulting from, or that may be alleged to have resulted from, the flu vaccination administered on October 29, 2022, as alleged in a petition for vaccine compensation filed on or about August 18, 2023, in the United States Court of Federal Claims as petition No. 23-1353V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the flu vaccine caused petitioner's alleged GBS, or any other injury or condition, or that petitioner suffered a Vaccine Table injury.

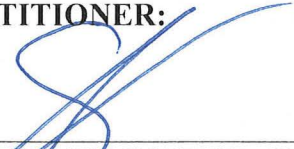

Respectfully submitted,
