ORDER CONCLUDING PROCEEDINGS¹

On August 9, 2024, Tykhon Benderskyi filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa—10 through 34.² Petitioner alleged that he suffered an adverse reaction to a meningococcal vaccination that he received on August 12, 2021. ECF No. 1 at 1. In informal communications with Petitioner’s counsel, Petitioner acknowledged that this case was a duplicate of another case (no. 24-1220V) and intends to proceed with that case. On August 13, 2024, Petitioner submitted a notice of voluntary dismissal.

In light of Petitioner’s “notice of dismissal at any time before service of respondent’s report” pursuant to Vaccine Rule 21(a), **this case is dismissed without prejudice.** Accordingly, **this Order hereby notifies the Clerk of Court that proceedings “on the merits” of this petition are now concluded, but no judgment “on the merits” should be entered by the Clerk’s Office.**

IT IS SO ORDERED.
