OFFICE OF SPECIAL MASTERS

JAMES BLAND, III, Petitioner, v. **SECRETARY OF HEALTH AND HUMAN SERVICES**, Respondent.	**No. 24-2080V** Chief Special Master Corcoran ECF

RESPONDENT'S PROFFER ON AWARD OF COMPENSATION

On December 18, 2024, James Bland, III ("petitioner"), filed a petition for compensation ("Petition") seeking compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to 34, as amended ("Vaccine Act" or "Act"). Petitioner alleges that he suffered the Vaccine Injury Table ("Table") injury of Guillain-Barre Syndrome ("GBS") that developed within the Table timeframe following an influenza ("flu") vaccine administered on January 28, 2022.[1] Petition at 1. On July 1, 2025, the Secretary of Health and Human Services ("respondent") filed a Rule 4(c) Report indicating that this case is appropriate for compensation under the terms of the Act for a GBS Table injury, and on July 9, 2025, the Chief Special Master issued a Ruling on Entitlement finding petitioner entitled to compensation. ECF No. 16; ECF No. 17.

[1] On February 1 and 22, 2022, petitioner received COVID-19 vaccinations. Ex. 2 at 353-54. Vaccines against COVID-19 are not contained in the Vaccine Injury Table. *See* 42 U.S.C. § 300aa-14 and 42 C.F.R. § 100.3(a). Pursuant to the declaration issued by the Secretary of Health and Human Services under the Public Readiness and Emergency Preparedness Act (42 U.S.C. §§ 247d-6d, 247d-6e), claims for alleged injuries from COVID-19 countermeasures, including vaccines, may be compensable under the Countermeasures Injury Compensation Program ("CICP"). *See* 85 Fed. Reg. 15198, 15202 (March 17, 2020).

I. Items of Compensation

A. Pain and Suffering

Respondent proffers that petitioner should be awarded $172,500.00 in pain and suffering. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

B. Past Unreimbursable Expenses

Evidence supplied by petitioner documents that he incurred past unreimbursable expenses related to his vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of $743.09. *See* 42 U.S.C. § 300aa-15(a)(1)(B). Petitioner agrees.

These amounts represent all elements of compensation to which petitioner is entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a lump sum payment, as described below, and request that the Chief Special Master's decision and the Court's judgment award the following[2] [3]:

[2] Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future lost earnings and future pain and suffering.

[3] The entry of judgment awarding the compensation described herein in a Decision of the Special Master, resolves any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or hereafter could be timely brought against the United States and the Secretary of Health and Human Services in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., (a) on account of, or in any way growing out of any and all known or unknown, suspected or unsuspected personal injuries to or death of petitioner that resulted from, or that may be alleged to have resulted from, the vaccinations identified herein, and (b) that petitioner has had, now has, or hereafter may have with respect to the injury that gave rise to the petition for vaccine compensation filed in the United States Court of Federal Claims as petition No. 24-2080V.

A lump sum payment of **$173,243.09** to be paid through an ACH deposit to petitioner's counsel's IOLTA account for prompt disbursement to petitioner.
