On April 21, 2025, Guzal Astanova filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that her child, A.R., suffered a shoulder injury related to vaccine administration (“SIRVA”) following Hepatitis A and HPV vaccination administered on July 26, 2024. Petition at 1. Petitioner further alleges that A.R. suffered the residual effects of his vaccine-related injury for more than six months. Petition at ¶ 27. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On November 10, 2025, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c)
