Petitioner,

v.

SECRETARY OF HEALTH AND
HUMAN SERVICES,

Respondent.

Chief Special Master Corcoran

Filed: December 4, 2025

ORDER CONCLUDING PROCEEDINGS¹

On November 5, 2025, Eric Conner² filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa—10 through 34.³ Petitioner alleged that he suffered an adverse reaction to an influenza vaccination that he received on November 9, 2022. ECF No. 1 at 1. On December 3, 2025, Petitioner submitted a notice of voluntary dismissal acknowledging that this case was a duplicate of an earlier filed case (no. 25-477V). Petitioner intends to proceed with the other case.

In light of Petitioner's "notice of dismissal at any time before service of respondent's report" pursuant to Vaccine Rule 21(a), **this case is dismissed without prejudice. Accordingly, this Order hereby notifies the Clerk of Court that proceedings "on the merits" of this petition are now concluded, but no judgment "on the merits" should be entered by the Clerk's Office.**

IT IS SO ORDERED.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² The docket for this case incorrectly identifies Petitioner's last name as Connor rather than the correct spelling, Conner. Because this case is being dismissed, it is not necessary to correct the docket prior to dismissal.
