Chief Special Master Corcoran

Filed: June 23, 2026

John Beaulieu, Siri & Glimstad, LLP, Louisville, KY, for Petitioner.

Madison Murray, U.S. Department of Justice, Washington, DC, for Respondent.

RULING ON ENTITLEMENT¹

On November 17, 2025, Veronica Holley filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) following an influenza vaccination she received on December 9, 2024. Petition at 1. Petitioner further alleges that the residual effects of her vaccine-related injury have persisted longer than six months. *Id.* at ¶ 27. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On June 22, 2026, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at 1. Respondent states that he “recommends that Petitioner be found entitled to

¹ Because this Ruling contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims’ website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Ruling will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

compensation for a Table SIRVA. Petitioner had no history of pain, inflammation, or dysfunction of her right shoulder prior to vaccination that would explain her post-vaccination symptoms; shoulder pain occurred within forty-eight hours after receipt of an intramuscular flu vaccination; shoulder pain and reduced ROM were limited to the side in which the vaccine was administered; and no other condition or abnormality has been identified to explain Petitioner's shoulder pain." *Id.* at 4. Respondent further agrees that, based on the current record, Petitioner has satisfied all requirements for compensation under the Act." *Id.*

In view of Respondent's position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
